

Let us help you realise your aspirations and achieve your full potential!

The Food and Beverage Development Fund wants to help dedicated people realise their aspirations and achieve their full potential. We provide financial support to help individuals to further their skills and knowledge through training, education and/or research within South Australia's critically important food & beverage industries. We are proud to be able to support the learning of individuals in our baking, beverage, food processing and meat industry sectors and provide between \$1,000 and \$10,000 to each successful applicant.

We firmly believe in the importance of learning and are committed to assisting those individuals who share this belief. If you would like to develop your skills and knowledge in your chosen career please contact us to see how we may be able to assist you.

With our help, you could end up like....

Kris Lloyd - *Head Cheesemaker and Owner*
Woodside Cheese Wrights

Kris's philosophy is to continuously challenge what you are doing through learning.

The funding provided by Food and Beverage Development Fund enabled Kris to attend a senior management programme. The training provided has significantly impacted her management style and business understanding which has assisted her to take her successful and growing business to the next level.

Woodside Cheese Wrights based in the Adelaide Hills produces a wide range of cow and goat milk cheeses using beautiful fresh local milk. Woodside Cheese Wrights has been very successful over the years winning many awards including Premiers Food Award, Grand Dairy Award and in 2009 Gold at the World Cheese Awards.
