

# Let us help you realise your aspirations and achieve your full potential!

The Food and Beverage Development Fund wants to help dedicated people realise their aspirations and achieve their full potential. We provide financial support to help individuals to further their skills and knowledge through training, education and/or research within South Australia's critically important food & beverage industries. We are proud to be able to support the learning of individuals in our baking, beverage, food processing and meat industry sectors and provide between \$1,000 and \$10,000 to each successful applicant.

We firmly believe in the importance of learning and are committed to assisting those individuals who share this belief. If you would like to develop your skills and knowledge in your chosen career please contact us to see how we may be able to assist you.

With our help, you could end up like....

**Lynn Green** - *Business Owner*

Geraldton Hill, Artisan Toffees & Sweet Creations

Lynn created her artisan toffee home based business in 2006 following years of sharing her passion for all things toffee and chocolate with family and friends. She now enjoys managing her own established home based wholesale business and thanks to the assistance from the Food and Beverage Development Fund, she is using the knowledge she has acquired from attending Savour Chocolate courses to continually refine her chocolating skills.

As a Food and Beverage Development Fund recipient she has been able to acquire necessary equipment to advance the efficiency of the business and looks forward to training in Small Business Management to further advance and streamline all facets of the business.

She is a passionate advocate of participating in continual ongoing training to pursue dreams.
