Wine Industry Career Pathways can be grouped into four main branches:

growing vines and grapes; making wine; marketing and selling wine and storing and distributing wine.

The pathways shown above are not necessarily linear and there are some opportunities for movement between different branches.

This project was completed by Food, Tourism & Hospitality Industry Skills Advisory Council SA Inc (FTH Skills Council) with funding provided by the Government of South Australia through the Department of Further Education, Employment, Science and Technology (South Australia Works program) and the Department of Primary Industries and Resources SA.
